The original design is painted on a 9" x 12" Canvas Board, but could be easily adapted to a multitude of surfaces.

The surface is decouped with a subtle print background tissue (which will be provided to attendees by SCDP).

Special brushes used for the class will be a good, small liner, #4 Filbert, #6 Filbert and a brush to dry brush with.

The seminar will be recorded.

To register, please contact Avis Randall at ardr1@dslextreme.com
Registration Forms will be available on the SCDP website on the Seminars page beginning
January 6, 2025.
